Rep. Marcus C. Evans, Jr. Committee Assignments *102nd General Assembly*

Springfield, Ill - Bills and resolutions pass through committees before being called for an official vote on the house floor. The members of the Illinois House of Representatives are assigned by the speaker and the minority leader to topic area committees to analyze and closely focus on the impacts of legislative measures.

For this 102nd General Assembly State Rep. Marcus C. Evans, Jr. (D-Chicago) was named to the following committees:

- Labor & Commerce (Chairman)
- Appropriations-Human Services
- Ethics & Elections
- Executive
- Health Care Availability & Access
- Revenue & Finance

“All issues are important but I appreciate Speaker Welch for trusting me to specifically help guide the movement of legislative measures within these specific committees,” said State Rep. Evans. “I will use my analysis, voice and vote to ensure that good public policy advances.”

###

Rep. Evans' committee assignment list is a small peak into his policy subject area interest which includes: Criminal Justice Reform, Gun Violence Prevention, Homeownership protection/help, Women's Rights & Equality, Energy & Utility regulations, Local Government support. His introduced and co-sponsored bills and resolutions list can be found on ILGA.gov.
